Introduction

The Border Community Child Care Resource Center (BCCCRC) is a proud sponsor of the Arizona Child and Adult Care Food Program (CACFP) and is a division of Comité de Bien Estar. This program has been established since 1998. The goal of BCCCRC is to increase the quality of child care and nutrition by sponsoring a food program that helps home-based child care providers be reimbursed money for meals served to children under their care. The program is designed to benefit anyone who has under their responsibility the care of a child including relatives by reimbursing the money child care providers invest in meals provided to children under their care. This program is ideal for anyone who is interested in being their own boss, working from home, and earning money all while making a meaningful difference in the lives of children in their community.

**BCCCRC MISSION:
TO PROMOTE & SUPPORT
THE HEALTH OF OUR
CHILDREN IN DAY CARE
HOMES.**

Who do we serve in Child Care Settings?

Infants & children under age of 13

- Migrant children under age of 15
- Physically or mentally disabled individuals receiving care in a family day care home or child care center

Who Reimburses the Money?

The Arizona Department of Education reimburses participating centers and day care homes for serving nutritious meals and snacks to children.

The Arizona Department of Education is funded by the U.S. Department of Agriculture (USDA).
